## **CUSTOM LED ASSEMBLIES**

- SHOP, FOOD, AND MERCHANDISE DISPLAYS
- MUSEUM EXHIBITS AND SHOWCASES
- CABINETRY AND CUSTOM FURNITURE
- ARCHITECTURAL ACCENTS AND DECOR

## SELECT YOUR PREFERENCES

- CLEAR OR DIFFUSED LENS
- FLUSH MOUNT OR CORNER MOUNT
- VOLTAGE 12VDC OR 24VDC
- WIRE LENGTH AND CONNECTOR
- LED BAR LENGTH: 4 INCHES TO 6.5 FEET
- COLOR TEMPERATURE/SHADE OF WHITE

JKL's ZFC-17 (Flush Mount) and ZFC-18C (Corner Mount) LED Bars are under 1" wide and offer a low profile that is ideal for most case lighting applications. To serve our customers' specific needs, we offer both flush mount and corner mount custom-length LED Fixtures. Compatible mounting clips are screwed into place for easy, secure mounting.

### FLUSH & CORNER MOUNT

### DIFFUSED & CLEAR LENS

## SOURCING REQUIREMENTS

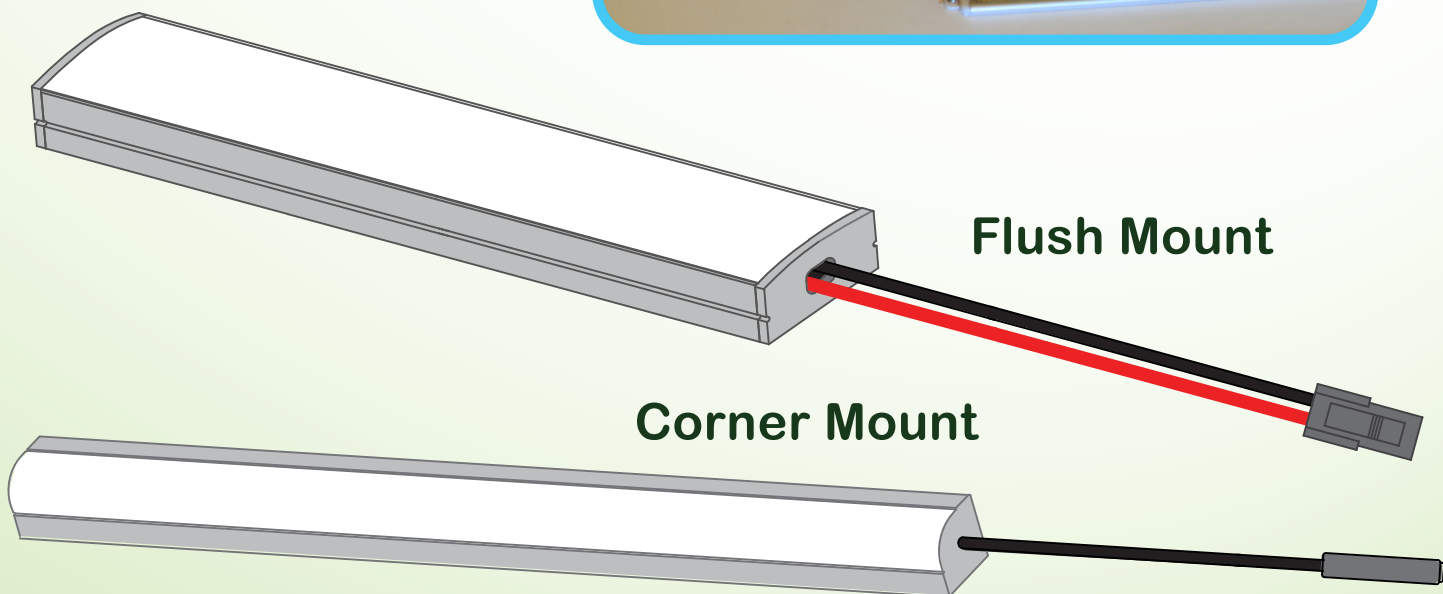

- LEDs ARE UL APPROVED
- MATERIALS ARE RoHS COMPLIANT
- JKL COMPONENTS IS ISO9001 REGISTERED

**Contact JKL to determine if a standard or custom option is most suitable for your application.**

**Flush Mount**

**Corner Mount**

The flush mount and corner mount LED bars shown here represent JKL's standard options. Other LED profiles—various widths and clipless designs—can be offered and configured. Contact JKL to discuss custom assembly linear LED needs.
